

The Tampa Hillsborough Economic Development Corporation (EDC) recently partnered with PM&P

February 2013

The Tampa Hillsborough Economic Development Corporation (EDC) recently partnered with PM&P to coordinate a high level Business Development Mission to Germany and Switzerland. With the assistance of PM&P, the EDC was able to visit four cities and meet with several highly qualified prospects within a week. Additionally, PM&P reached out to business multipliers to coordinate several networking events in various cities, adding even more value to the EDC's trip.
